

ANTALYA

Gradual action volumising and waving system

ANTALYA Gradual Volumising and Waving System. A great innovation brought to the styling and creative world, thanks to the active principles contained by Universal Solution and the Additive it adapts itself to all types of hair, creating all kind of volumes and shapes. It is the ideal tool for creative stylists who wish to space out creating all sorts of volumes, waves, soft curls and shapes.

Enriched with Raspberry and Bitter Orange extracts: their binding action gives shine and natural truthfulness to the hair.
