

EUDERMIQUE

PURIFYING SERUM

Purifying serum cleanses the scalp making the penetration of the active principles of the following treatments more effective.

Directions: apply the product to the dry scalp and leave on for a few minutes. Do not rinse. Apply the shampoo.

WHEAT BATH

Moisturizing and eudermic cleansing bath. It performs an effective restructuring and moisture-restoring action.

Directions: apply and let it work for a few minutes. Rinse thoroughly.

MINERAL TONIC

The regular use of this lotion keeps the scalp constantly moisturized, cleaned and refreshed preventing skin disorders such as itching, bad odours, etc. It also favours cell oxygenation and regeneration.

Directions: apply the necessary amount of product after shampoo or apply directly to the scalp when the hair is dry. Do not rinse.

ARNICA BATH

Adjuvant eutrophic cleansing bath helpful in preventing hair loss.

Directions: apply and let it work for a few minutes. Rinse thoroughly.

YARROW BATH

Cleansing bath with an astringent and anti-dandruff action. Ideal for seborrhoeic and dandruffy scalps.

Directions: apply and let it work for a few minutes. Rinse thoroughly.

ARNICA LOTION

It is a very low alcohol content scalp lotion that thanks to the botanical glycolic extracts it carries out a correct stimulating action directly onto the scalp. Ideal supporting treatment for the prevention of hair loss.

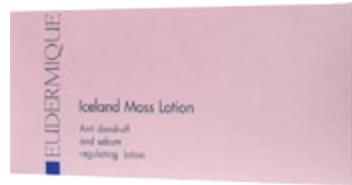

Directions: shampoo the hair with the most appropriate Eudermique bath. Apply the required amount of product evenly distributed directly onto the scalp and gently massage. Do not rinse. Style the hair as desired.

ICELAND MOSS LOTION

It a very low alcohol content scalp lotion based on botanical glycolic extracts and piroctone olamine that carries out an effective anti dandruff and sebum regulating action. The glycolic extracts of the Iceland Moss carry out a derma protective action.

Directions: shampoo the hair with the most appropriate Eudermique bath. Apply the required amount of product evenly distributed directly onto the scalp and gently massage. Do not rinse. Style the hair as desired.

GENTLE BATH

Detergent shampoo with a low content of irritating foam substances. Cleans perfectly without altering the hydrolipidic film. Recommended also for frequent washes.

Directions: apply the necessary amount of product, leave on for a few minutes. Rinse thoroughly and repeat if necessary

BARDANA LOTION

Bardana Lotion enhances the action of two specific biotechnologically derived enzymes which in combination with Bardana, produce an energy reserve able to actively accelerate the cell proliferation and increase hair thickness.

Directions: after the specific shampoo apply on scalp row by row.

MALLARDS LOTION

Conditioner no rinse, with glycolic botanical extracts and hydrolized collagen. Ideal for naturally dry and chemically treated hair. Glycolic botanical extracts hydrate the hair giving it body bounce and shine.

Directions: wash hair with appropriate bath, apply required amount onto the hair. Do not rinse, style the hair as desired.

NOURISHING MASK

Hydrating and restructuring mask for normal and treated hair. The nourishing and restructuring agents act on the hair keratin carrying out a conditioning action giving hydration, softness, shine and body to the hair.

Directions: apply the required amount of product directly to the hair, leave it to process for 5 to 10 minutes. Rinse well with warm water.
