

# SLEEK & CURLY

Already 4000 years ago the Egyptians obtained remarkable benefits from the bark and the root of the Pomegranate tree original from Persia and Afghanistan. For these people this tree and its fruits were the symbol of fertility. All the noble families of that age grew in their gardens or on their terraces a Pomegranate tree also for ornamental purposes. The extracts of this ancient and noble fruit , rich of VITAMIN A, VITAMIN B, FLAVONOID, TANNINS, ELLAGIC ACID, are excellent anti-oxidants, astringents, anti-inflammatory, antibacterial as well as nourishing and hydrating substances. Thanks to these proprieties hair and scalp are always healthy, tonic , nourished and hydrated.
